

Privacy Policy

This application respects and protects the personal privacy rights of all users of the service. In order to provide you with more accurate and personalized services, this application will use and disclose your personal information in accordance with the provisions of this privacy policy. But this application will treat this information with a high degree of diligence and prudence. Unless otherwise specified in this privacy policy, this application will not disclose or provide this information to third parties without your prior permission.

When you agree to this application service usage agreement, it is deemed that you have agreed to the entire content of this privacy policy. This privacy policy is an integral part of this application service usage agreement.

1. Scope of application

(a) This application does not require registration and login, and we will not require you to provide personal registration information;

(b) This application is just a Bluetooth remote control tool, without any transaction function or networking function. Your operation records will not be recorded;

2. Information usage

This application also does not allow any third party to collect, edit, sell, or freely disseminate your personal information through any means. If any user of this application platform engages in the above activities, upon discovery, this application has the right to immediately terminate the service agreement with that user.

3. Information Security

This application does not have an account registration function and does not require filling in personal information, so you do not need to worry about your information being disclosed, abused or altered.

4. Changes to this Privacy Policy

If we decide to change our privacy policy, we will publish these changes in this policy, on our company website, and where we deem appropriate, so that you can understand how we collect and use your personal information, who can access it, and under what circumstances we may disclose it.
